

Scope Pouch (Aimpoint 3X Magnifier)

The Aimpoint 3X Magnifier Pouch was designed to allow quick stowage/deployment of the twist-off optic. The body of the pouch is semi-rigid so the mouth stays open for easy insertion and gives an extra level of protection for the optic. The pouch will still flatten if you need to go prone on the empty pouch.

Colors : Black, Coyote Tan, OD Green, UCP, Foliage Green, Ranger Green and Multicam.

Price : \$35
