

## Discreet Suppressed Pistol Pouch/Holster

The SKT Industries Discreet Pistol Pouch/Holster was designed to accommodate the Gemtech OASIS integrally suppressed pistol or a suppressed Walther P22 with up to a 5" suppressor installed. The pouch/holster will also accommodate most medium frame (unsuppressed) pistols such as the Glock 17/19 and Smith & Wesson M&P.

The pouch and holster are MOLLE compatible and completely ambidextrous with the included MALICE clips. The pouch is padded with 1/8" closed-cell foam for protection and to ensure that the contents do not print through the pouch. The top half of the pouch unzips to either side to allow quick access. The pistol is also retained internally by a bungee strap.

The holster has a zippered compartment on the spine to accommodate cleaning tools or a copy of the ATF form 4.

Included: Holster, Padded Pouch, double magazine pouch (.22LR), MALICE clips (8 short)

Colors : Black, Coyote Tan, OD Green, UCP, Foliage Green, Ranger Green and Multicam.

Price : \$150
