

Single Point Sling

The SKT Industries Single Point Sling was made with versatility in mind. The sling can be adjusted for size and attachment hardware. There is a separate buckle that secures the mounting hardware to the sling, so the hardware can be changed without disassembling the sling. The SKT Industries Single Point Sling can also be attached directly to weapons that have a Burnsed Loop installed.

Included: Single Point Sling, Buckle Attachment (with Kevlar/Nomex cord) and 1.25" HK style steel snap hook.

Colors : Black, Coyote Tan and OD Green.

Price : \$35

All SKT Industries nylon products are proudly made in the USA.
